

Do you know these certified nurses?

Well, we want to see you too!

Please email us pictures of the certified nurses on your unit.

We ask that the pictures are of groups of certified nurses (no selfies, sorry).

We ask that the pictures are in our professional environment.

Please, ensure no patient information and/or patients are in the background.

Please email to clinedu@aaahs.org
no later than March 4, 2017

Photos will be displayed at this year's Certification Social!
